ISSUE #23

JANUARY 1986

An Examination Of Zionism, Jews, And The Illuminati

by B.W. Alans

One of the most confusing areas of conspiracy research, as many investigators will agree, is that of the so-called "Jewish Problem", and the role of the Jews in world affairs.

In this article I will put forward some ideas which I believe may help solve some of the confusion in this area. Some of the theories presented here are my own, no doubt other researchers have their own opinions regarding this matter, so they are free to accept or reject this information as they choose.

Semitic influence in world affairs, of course, began back in the times of Abraham, Issac and Jacob (or 'Israel'). No doubt much of the world's anti-Semitism began shortly after that period as the nation of Israel became known as a powerful military force in the Mid East, conquering neighboring "pagan" territories at the behest of the God JEHOVAH. No doubt they made a few enemies during that period, and this anti-Semitism has continued in varying forms up to the present time.

I will not go into a lengthy discussion on early Israelite history, since that is covered in the OLD TESTAMENT quite sufficiently. I will begin, however, with the history of the "subversive" activities of the "Jews" beginning with the crucifixion of Christ nearly 2000 years ago. Most Jews in the time of Christ's death and resurrection still held true to the Mosaic laws of the TORAH, and most of them rejected

Christ as the Messiah, afraid to let go of the OLD COVENANT (Law of Moses), and accept the "NEW COVENANT" of grace and salvation by the blood of Christ, and the teachings of Christ in general. There was another group of "Jews" who definitely were not followers of traditional Judaism. Christ referred to this group as Hypocrites, Lawyers, Serpents, Vipers, and Pharisees. Christ condemned this small group of men in the following words:

"...O generation of vipers, who hath warned you to flee from the wrath to come? ...O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh...Ye serpents, ye generation of vipers, how can you escape the damnation of hell? ...Well hath Esaias prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their hearts are far from me...Woe unto you, Pharisees! for you love the uppermost seats in the synagogues, and greetings in the markets. Woe unto you, scribes and Pharisees, hypocrites! for ye are as graves which appear not, and the men that walk over them are not aware of them...Woe unto you also, ye lawyers! for ye lade men with burdens grievous to be borne, and ye yourselves touch not the burdens with one of your fingers...Woe unto you, lawyers! for ye have taken away the key of knowledge: ye enter not in yourselves, and them that were entering in ye hindered...Ye are of your Father the Devil, and the lusts of your Father Ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his

own: For he is A liar, and the father of it." (Mt. 3:7, 12:34, 23:33; Mk. 7:6; Lk. 11:43-44,46, 52-54; Jn. 8:44).

Does this sound like certain "insiders" today? I believe that Jews can still be divided into these two groups today, and that these "hypocrites" and "lawyers" and these secret Cabalistic societies still exist, as they did in the time of Christ. They are no doubt the "tares" which Christ spoke of who were sown in with the wheat. Christ gave his apostles the following interpretation of one of His parables:

"...He that soweth the good seed is the Son of Man; the field is the world; the good seed are the children of the Kingdom; but the tares are the children of the wicked one; The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels. As therefore the tares are gathered and burned in the fire, so shall it be in the end of this world." (Mt. 13:37-40).

I suspect that the "tares" may be those whom many refer to as the Khazars, a mongoloid-Turkish tribe who adopted Judaism in ancient times, and therefore are not true Jews (this would include certain true Jews who have sold out to the devil and lost their inheritance as members of God's chosen people). I do not agree, however, that all of those who claim to be Jews are actually Khazars, as some people would have us believe. Bible prophecy clearly states that the nation of Israel would be established in the "last days", God does not say that He would establish it Himself (in fact, the present-day "Pharisees", or "Zionists" seem to have been the power behind it's creation); God does however know the past, present and future, and therefore was able to prophecy events as they would happen in the last days. I suspect that the Khazar-Cabalistic so-called "Jews" (who make up the hard-core Zionists, B'nai B'rith, et al) are still the minority. These days, instead of being referred to as Pharisees, hypocrites, lawyers, etc. they are often referred to as the "Big Jews"; Cabalistic Jews"; "Zionists"; "Liberal Jews", etc. Though the minority, their influence, control, manipulation and oppression of the "Little Jews" (Torah Jews, Conservative Jews, etc.) who apparently are in the majority, is overwhelming. Most traditional Jews are unaware of the full nature of this emotional-mental-physical control which the Cabalistic secret society Jews have over them. The "Big Jews" use the

"Little Jews" to carry out many of their goals - ONE OF WHICH INCLUDES THE ULTIMATE DESTRUCTION OF THE "LITTLE JEWS" AND THE DESTRUCTION OF ALL RELIGIONS INCLUDING CHRISTIANITY (ESPECIALLY) AND TRADITIONAL JUDAISM BASED ON THE MOSAIC LAWS AS LAID OUT IN THE TORAH! The goals of the Cabalists leave no room for any religion except their own Cabalistic-Hindu philosophy. No room even for TRADITIONAL JUDAISM! As we can see, the traditional, conservative, "little" Jews who are going along with the Zionist-Cabalistic game-plan are actually digging their own graves.

Two examples of the total disregard which the "Big Jews" have for the "Little Jews" can be seen when we examine the Jewish persecutions under the Nazi and Communist regimes. The Cabalist-Zionist-Masonic influence behind the creation of the Soviet Union is well known among conspiracy researchers, as well as the fact that many, if not most, of the Soviet Union's leaders are (so-called) Jews. Yet persecution of the traditionalist Jews in the U.S.S.R is horrendous. I believe that this persecution is all part of the pro-Cabalists' war against the non-Cabalist Jews. While the Cabalists are using the little Jews in their fight against Christianity (because it does not agree with their traditional Judaism) they are not aware of the fact that at the same time the Cabalists are working for the destruction of Judaism itself (because it does not agree with their Cabalistic-Luciferian doctrines). The Bolshevik Revolution, as most of us know, was financed by these "Big Jews" (and their comrades in the various Illuminati controlled secret societies), through the Wall Street and Rockefeller empires and their International Banks.

There is good reason to believe that the Big Jews were largely responsible for the destruction of nearly 6 million little Jews in Hitler's concentration camps. The same Cabalists who financed the Bolshevik Revolution also financed the Hitler war machine! Hitler's Nazi Party grew out of the THULE SOCIETY, an extremist branch of the (Bavarian?) Illuminati-Rosicrucianism (at least this is what one "insider", an O.T.O. Grandmaster and 33 Degree Mason tells me). The Zionist-Illuminati International Bankers may have been in favor of, and given financial-military support to, Hitler's dream of a World Government, which they and Hitler apparently felt could be established through force. Others

suggest that Hitler was used by the Illuminati to go after Stalin, who wasn't going along with the Illuminati "game plan". It does appear as if Hitler may have "betrayed" the Illuminati in a sense. Hitler was obviously a deranged, possessed psychopath, and had plans of his own which probably were not in full agreement with the International Bankers (although the latter did make an enormous financial killing off of the first two World Wars -- selling arms to all sides). The Zionists and Illuminati still keep the memory of the Nazi horror strongly in the minds of the little Jews, and use this feat to further control and brainwash them --EVEN THOUGH THEY CONTRIBUTED TO THE HORROR! The B'nai B'rith (the Zionist Lodge of Cabalistic Freemasonry) even went so far as to tell the little Jews NOT TO FIGHT AGAINST HITLER. This is why so many Jews went like unresisting lambs to the slaughter, unknowingly betrayed and murdered with the help of the "Big Jews" -- the modern-day Pharisees. Did the B'nai B'rith fear that the little Jews might interfere with Hitler's (and their) goal for the establishment of a Socialist World Order? I believe they did, and I believe they also knew what was happening in the concentration camps and did nothing to prevent it. After all, anyone is expendable, just as long as they get their NEW WORLD ORDER in the end!

The fact that the same Cabalistic forces were behind the creation of Zionism (Israel), Nazism (Germany), and Communism (Russia), and even the MAFIA, is made clear in the following statements from a document written by the O.T.O.-Mason mentioned above. This should help to clear up the mystery of this mysterious force out of which has sprung so many conflicting-contradictory world events and so many seemingly independent forces (who on the outside seem to be in conflict with each other, but on the inside are in fact working together toward a common goal). The O.T.O.-Mason writes:

"Albert Pike, the Father of the Scottish Rite, ordered Guiseppe Mazzini to create twenty-three subordinate Masonic Councils in various strategic regions throughout the Western World. One such Council was a secret society called the Oblonica, which was coined from two Latin words: Obelus, a spit, and Nico, I beckon. The word spit is meant to represent a dagger.

"Within the Oblonica, Mazzini formed an interior, more deeply initiated Order,

whose members were called the Mafiusi (Mafia). This Order was formed in 1860. (Note: This would explain the mysterious Masonic symbolism in the JFK murder -- Dallas is 33 Degrees latitude, and the Nov. (11th month) 22 hit day adds up to 33 as well -- the Masonic number. More and more researchers are finding evidence that the CIA-Mafia-Masons and related groups were involved in the JFK assassination as part of a coup d'etat which opened the way for the Illuminati to put their men (Johnson, Nixon, Ford, etc.) into power --B.W.A.)

"The word Mafia is composed of the initials of the five following words: "Mazzini autorizza, furti, incendi and avvelenamenti.

"The Illuminati, and the Lodges of the Grand Orient, required that Mazzini's revolutionary activities in Europe be expanded according to the New and Reformed Palladian Rite, thereby, further grounding the forces of international Communism, the coming Nazism and political Zionism. The objective: Three Global Wars and Three Major Revolutions. As Robert A. Wilson once said: 'The Mafia is but one tentacle of the One-Eyed Octopus.' "

The O.T.O.-Mason continues: "Mazzini and Pike made sure that the Mafiusi (which was financed by the Rothschilds - B.W.A.) was never recorded with the Grand Lodge in England. (It's interesting to note that Albert Pike's KU KLUX KLAN, which grew out of the Masonic-Jesuit Knights of the Golden Circle, attacks Jews, Communists and Nazis (and blacks to boot). If things begin to get confusing here, then one must remember the hidden reason for this planned conflict of opposing forces, that is, the creation of a problem (thesis), the creation of the opposing force (antithesis) and finally the creation of the solution (known as synthesis). In other words, just as is true in many of the cults, there is a creation of two or more opposing forces from which develops conflict - leading to confusion. Out of the confusion comes the need for a solution, the synthesis. In the case of a mind-control cult, this confusion is created to prepare the mind for a particular form of brainwashing. On a global scale involving the mass-consciousness of mankind the same principle is theoretically possible. The creation of Zionism, Nazism, Communism, KKK, Mafia, etc. Out of the confusion emerges the NEW WORLD ORDER --B.W.A.)

"The Mafiusi cornerstone came from the

killer-society of Hasan ibn-al-Sabbah who lived back in the eleventh century. The Illuminati needed a society dedicated to the insane theories of a world needing constant, violent changes of power. Shock and sudden death were intrinsic to the evolution of history. Someone had to provide the means. So the Illuminati ordered the creation of the Mafiusi as a means of controlling global assassinations, providing structure to terrorism, spawning Chaos everywhere. How else can you explain the well-financed wild-eyed terrorists and selected celebrated people for murder? Acts of terrorism. Bombing, kidnappings, the hijackings of airplanes; ultimatums issued by the PLO and other bands of fanatics, wholesale slaughter promised if they are not met."

Our O.T.O.-Mason then quotes one Illuminist insider as follows: "...Out of the temporary evil we are now compelled to commit will emerge the good of an unshakeable rule, which will restore the regular course of the machinery of life, brought to naught by liberalism. The result justifies the means. Let us, however, in our plans, direct our attention not so much to what is good and moral as to what is necessary and useful."

"...useless changes of forms of government to which we instigated the goyim when we were undermining their state structures, will have so wearied the masses by that time they will prefer to suffer anything under us rather than run the risk of enduring again all the horrors and miseries they have gone through."

"...The period of violence before the permanent era of tranquility. But governments and their leaders do not relinquish their responsibilities easily. Alternatives must be given men whose backs are to the wall. We control the Brigade Rosse; the Baader Meinhof; the Red Army of Japan. The Mafia. We grow in authority every month. Each act of terrorism we are closer to our objective; the total absence of violence. The Illuminati provides the structure, the methods...the assassins to pit political factions against adversaries everywhere. And the masses pay for everything via taxes. Isn't that nice."

"...Our countersign is Force and Make-Believe. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle, and cunning and make-believe the rule for governments which do not want to lay down their crowns at the feet of agents of some new power."

This evil is the one and only means to attain the end, the good. Therefore we must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the objective without hesitation if we wish to secure submission and sovereignty.

"...Who is in a position to overthrow an invisible force? And this is precisely what our force is. Gentile Masonry blindly serves as a screen for us and our objects, but the plan of action of our force - even it's very abiding place - remains for the whole people an unknown mystery."

"...In the goy societies, in which we have planted and deeply rooted discord, the only possible way of restoring order is to employ merciless measures that prove the direct force of authority: no regard must be paid to the victims who fall, they suffer for the well being of the future."

Tell that to the tens of millions of American and Allied soldiers and Jews who died on the battlefields of WW2, or in Hitler's concentration camps; tell that to nearly 200 million people who have been victims of cold-blooded murder at the hand of the Communist terror. God help us if these acts of genocide were a mere prelude to an even greater holocaust which lies just in the future. Haven't the humanist global planners, in their GLOBAL 2000 report, sworn to reduce the population of the planet to a mere 2 billion people? (which means that over 2.5 billion will die by various means by the year 2000 -- their target date).

Romans 3:7-8 reminds us of the typical Illuminist thinking of "the end justifies the means": "For if the truth of God hath more abounded through my lie unto His glory; why yet am I also judged as a sinner?"

"And not rather (as we be slanderously reported, and as some affirm that we say,) Let us do evil, that good may come? whose damnation is just."

Reports From The Readers

FROM SAN FRANCISCO

I read with great interest your issue #14 CONSPIRACY TRACKER and was pleased to see you tackling several key conspiracy issues. As I explained in my letter, I find the literature coming from LYNDON LAROUCHE'S circles to be the most consis-

tent in research quality and, more important, best utilized as a weapon on the tactical battlefield of philosophy. There is no point in revealing the conspiratorial nature of world events if the conspirators are going to finally emerge victorious anyhow. That we have presently the high level of preparatory free exchange of ideas on these topics (that publications such as yours exemplify) then we must infer that battles have been won in the past which allows you and I to continue. The nature of these past battles and the strategies employed are our classrooms. We must learn the lessons effectively in order to continue the slow, upward march of our science based civilization. The massive quantities of literature pouring out of the LAROUCHE headquarters, as well as the breadth of its scope lays to rest the sense of what I seem to detect as despair on the part of many conspiracy theorists.

The red pyramid is scared of LAROUCHE because he is the political force as well as the strategic intellectual resource behind Reagan's STAR WARS program, or as it should be correctly called - THE STRATEGIC DEFENSE INITIATIVE (SDI). Enclosed are several copies of past New Solidarity articles dealing with LAROUCHE'S approach to some of the topics you raised in #14. "The Conquest of America" article refers to Tesla's discovery of lasing ELF frequencies. LAROUCHE carries lased, coherent EMF to its ultimate geo-political consequence and offers hope to us all in copy #1 (which is enclosed). Copy #2 covers generally the scientific tradition LAROUCHE employs which is essentially the methodology of rationalist science. Page 4 presents interesting research on DNA and intercellular processes that links biology to ELF phenomena in an operant theoretical manner. Copy #3 looks at the French Revolution as the stepchild of BRITISH orchestrated cults besides Freemasonry. NEW SOLIDARITY archives also have a lengthy expose of British Freemasonry and Rosicrucianism. More important here, however, is to connect feudalist, oligarchical cults historically to anti-quity so that the true nature and depth of these socio-economic power centers can be opened up to attack. The excerpts from the HITLER BOOK in copy #4 put a sharpshooter's bead on the vital organ. Your article on serial murders is getting close to the heart of the beast, but NEW SOLIDARITY draws conclusions that lead to action. (#5) Finally the drug war update is given

context by the #6 excerpt from DOPE INC. by naming the names in high places, persons above suspicion. I've also included some back issues of NEW SOLIDARITY to give you an idea of what LAROUCHE'S theatre of operations encompasses in case this is new to you. Continued success & good hunting.

FROM BERWYN, ILLINOIS

I refer to my letter published in #12 in which I pointed out the date of 22nd of a month when many important events (conferences, declarations, political murders etc.) took place. So many that it cannot be a coincidence. Today I want to add two more events:

1. The first landing on the moon occurred on the 22nd of July 1969.
2. The name for Orwell's famous book "Big Brother-1984" was not chosen by accident, it had a certain purpose. Some writers say that Orwell wrote the book in 1948, so he just reversed the last two numbers. That is not true, he wrote the book in 1946 and published it in 1947. But if we add the four numbers of the date 1984 we get 22. Orwell apparently belonged to the "Insiders" which he tried to show cryptically in the name of his book. The 22nd (and the last) letter of the Hebrew alphabet is called THAV. That is a Hebrew word which means MARK or SIGN. So it was Orwell's sign for those who understand, for the Insiders.

Reports From The Writers

FROM E. EDWIN AUSTIN (Mutilation Data Center)

I recently bought a computer. The particular type and brand (Eagle III) has almost one meg of storage each, on two floppy discs. This particular unit was selected in part because of the large floppy disc capacity, in part because the manufacturer of the drives is already on the market with equipment that will store 4.8 meg of data in the same physical space. Along with the computer came three programs, one of them a word processing system with the capability of massive cross indexing. This is the last reason I selected this particular combination of machine and programming.

If I ever trade up, the new Eagles run from 10 to 30 megs in a single box.

The unit is intended for medium size offices and/or free lance writers like myself. However, the storage, combined with the massive cross indexing capability, make it the best available equipment for my intelligence system.

Right now, I am busily writing my own indexing programs and a large scale filing program that reduces access time and disc wear by about 90 %. There are envelope addressing and class mailing features in my personal program.

Programming and disc loading take most of my time and will continue to do so for several months. CT readers will hear little from me during that time. Once in computerized operation, there will be a higher level of activity, producing more complete and accurate information than in the past.

Meanwhile, I would like to analyze the "satanic" aspects of the Ramirez case and Ronald Reagan's response to the death of a U.S. tourist on a hijacked Italian ship. The purpose is to, hopefully, guide CT readers away from a nasty mistake that is going to get people killed and imprisoned.

"Satanism" is the bogey man of the month. It reached that status a year or so ago when a group of parents, wallowing in guilt over their teenage children's suicides, fell into the hands of Communist and Nazi extremists seeking to use the suicides for their own ends. Out of this came such judicial abortions as lawsuits against schools, churches and a special target, TSR Hobbies, holder of the Dungeons and Dragons copyright. Today, the principal propaganda thrust from these clowns is an attempt to tie the Ramirez killings to "satanism", with a secondary thrust aimed at putting warning labels on rock records. I have publicly expressed the opinion that agitators ought to be forced to wear warning labels on their behinds. I'll wear mine if they wear theirs.

On Trinity Broadcasting a year or so ago, some guy claimed that "Dungeons & Dragons" figurines are demon possessed. They scream in terror when thrown on the fire." The screams are real of course. What do you expect when a teenager spends his money from part time work on the figurines, only to have his parents vandalize the things by burning them?

The same guy on the same broadcast claimed that D & D Dungeonmasters "paint pentagrams on their girl friends stomachs

and little demons come out." Babies as "little demons" is a very old concept, but I never heard it done quite that way.

The demon screamers are saying that Smurfs, Barbie Dolls and Cabbage Patch Dolls are demon possessed. One story has Cabbage Patch dolls levitating and choking their owners. Another has Miami Police covering up for Chinese Cabbage Patch Dolls that contain secret needles that shoot out and poison the owners.

Another story from the demon screamers says "Dungeon Masters can make fire come out of their fingertips." That one is 100% true ---my son taught me the ritual. You put on rubber soled shoes and scrape them across a wool rug.

In short, when CT readers let themselves get sucked into demon screaming, they tar themselves with the brush of superstition and become objects of ridicule among the very people CT needs to reach.

There is a serious side as well. There is a link to The Order and other rightists who are currently under prosecution for crimes ranging from gun running to bank robbery to murder. CT readers don't need to be questioned by cops for that kind of association. Furthermore, that kind of association gives absolutely legitimate grounds for questioning when such a crime occurs close by.

As to Ramirez: The guy comes across loud and clear as a drug abusing psychotic who uses "religion", satanic or otherwise, in a futile attempt to get his drug abuse under the 1st Amendment umbrella. He is a clone of Sutcliffe (the Yorkshire Ripper) in England, who used Christianity in exactly the same way. But the demon screamers don't want their noses rubbed in that, do they?

Now to Reagan and the ship hijacking. That thing is backfiring with a vengeance that is going to bring more deaths.

Third World media claims that Egyptian aircraft was a scheduled airliner, full of ordinary passengers, that was held by Mubarak long enough to put the hijackers on it. There is a strange and wonderful silence from U.S. media about this aspect, that throws gasoline on that propaganda fire.

When Reagan admitted giving orders to shoot it down if it refused to surrender, the inevitable KAL 007 comparisons sprouted like mushrooms.

Reagan's actions have already brought down the Italian government. It is my opinion, based on contacts in Italy, that

the new government will be extremist. Whether right or left, it will be far more hostile to the U.S. than before. There is almost certain to be a major schism that could cause Italy to fall into chaos, possibly to the point of revolution.

Inside Egypt, the "word" is that Mubarak cooperated with Reagan, by holding the hijackers until Reagan could get his interceptors in place. People generally believe what they want to hear, so the "word" is spreading like wildfire, to the benefit of the Khomeni supporters who are spreading it. There is a 50% probability of a coup in Egypt, with Khomeni supporters taking control. If this happens, the men now in prison for assassinating Sadat will be released and made heroes.

More important to us is Yugoslavia. A dozen or more groups of elderly anti Nazi WW2 partisans have joined forces with the same kind of Young Communist thugs who comprise The Order, Jewish Defense League, Hitler's Brownshirts and Mussolini's Blackshirts. They are trying to find financing and logistical support for a plan to kidnap any member of the Artukovic Family, sneak them to Yugoslavia and put them through a show-trial-murder similar to the Adolph Eichmann affair. The legal theory is valid under our own law "accessories after the fact." It is stringer under Yugoslav law than in ours. If they pull this off, it just might happen.

For the record, my own sources convinced me long ago that the Yugoslav government grossly exaggerates the number of people Andrija murdered, BUT the murders were very real and ran somewhere around 3000 to 5000 Serbs, Jews, Gypsies and Communists.

Ronald Reagan sits in the middle of this, throwing baby tantrums. His tantrums are creating public, government and media responses all over the world that go like this:

"The man is dangerous! He proved it when he invaded a sovereign nation (Grenada) and assassinated several of their elected officials." "He is proving it daily with his support of terrorists in Nicaragua." "He really proved it good and proper when he skyjacked a foreign airliner full of innocent civilians, flying where it had every legal right to be, making no bones of intending to create another KAL 007, 'justifying' the act by something that happened to a foreign ship operating in international waters." Legal and political scientists in Africa, South America and Asia take the stand that Rea-

gan "usurped the lawful jurisdiction of two established sovereign governments, bringing one down and setting up conditions conducive to destroying the other."

I emphasize in no uncertain terms that these are not my words. They come from tiny nations who see themselves as the next target for a "Reagan Conquest". At the personal level, I tend to think Reagan did what he thought was right, but undertook an ill considered action that offends international law, our own law and that of the nations whose sovereignty was usurped.

This is going to get hairy before it's over. I, for one, am going to do what Britain, France, Russia and other major powers are doing. Hands off. Let him sink or swim on his own, without me.

I advise CT readers to do the same, especially those who travel overseas. Reagan is making it unsafe for Americans to travel as tourists, on business or anything else. These are the potential deaths I refer to. If the fanatics reached the Marine Base in Beirut before, what do you think they will do now, under provocation, with world sympathy?

FROM JOHN JUDGE

Well, looks like I struck a nerve out in Los Angeles! Of course, the reason I beat the bushes is to flush out the fascists. Who but a Nazi could think of flesh-butchers and genocidal scum like Artukovic, Trifa and Rudolph as "fine Europeans"? If your readers lack the information to form an opinion, I suggest NAZI WAR CRIMINALS IN AMERICA (Charles Allen, Jr., Highgate Press, 1985), or even the sanitized version in QUIET NEIGHBORS (Allan Ryan, 1985).

The article that upset your "Reader from Los Angeles" was actually a flyer I passed out on the day of Reagan's visit, which lacked footnotes only due to space considerations. I never met a "fact" or "record" that was "too obvious to belabor" save in the writings of those who do not know them. The only attempt to discredit my thesis was aimed at my claim that Axis and Allied agents agreed to make "communism" the new enemy for post-WW II distractions.

The political agreements made at Yalta and Potsdam reflected the geo-political changes brought on by the fascist expansion, much to the dismay of Hitler's original pro-Tsarist, monarchist sponsors. Most of all, Potsdam produced the model

of post-war, global hegemony that the United States desired in order to assume a new role as world power and neo-colonial octopus. After Churchill and Truman finished carving up the world pie, perhaps they did pass Stalin the "silver platter", but the Soviet Union had paid for it in gold and precious blood.

My detractor only underestimates my point with his own language; for unless communism replaced fascism as the enemy, how can American Generals Patton, MacArthur, and Nazi SS murderer Otto Skorzeny ALL be called "patriots"? In fact, "Aryan patriots" was the specific term used, indicating only that the obscene marriage of democracy and fascism always ends up with the Nazis on top. Scum rises. Readers ignorant of Skorzeny's brand of "patriotism" need only peruse SKORZENY: HITLER'S COMMANDO (Glenn Infield, 1983) for details.

I could do nothing to "translate the memory" of these criminals and their collaborators. They are traitors to human existence and freedom, and the historical facts speak for themselves about their collusions. Of course, "memory" is not history, only a dreamy subjective reflection of it. The history of these boys is the stuff nightmares are made of come to life.

Although this anti-semitic bagot assumes I'm secretly Jewish, my religious preference lies elsewhere. Since my real name is John Judge, and I give my address in Washington, DC, your "Reader from Los Angeles" should, in fairness, be named in your pages as well.

His racist attacks on the work of researcher Mae Brussell amount to condemnation of this indefatigable and brilliant commentator for the crime of attending her father's funeral. It does belabor the obvious to say that Mae is not her father, but herself. The connections to occultism he attempts to imply are not half so sinister as his own smarmy use of Yiddish terms to appeal to the prejudices of your readers. Doubtless he's right in suggesting that "White Christians" should avoid Mae's perceptive analysis, unless they want to be rudely confronted by reality. Mae, like many of us, knows such reactionaries for what they are.

I'd contend that Mae's consumption of 15 daily newspapers from every major city, 150 periodicals a month, and hundreds of books a year, as well as her eight-year odyssey cross-indexing the 27,000 pages

of the Warren Commission volumes do qualify her as a RESEARCHER extraordinaire. I'd also suggest that not one word of this ridiculous attack on her qualifies the writer as anything but wrong. Through his eyes, blinded by anti-Semitism and narrowed by misconception and personal hatred, it would be hard to search for a single fact, much less re-search.

I offer my articles in CONSPIRACY TRACKER as a sort of historical and down-to-earth alternative to an otherwise a-historical and surrealist interpretation. "The Devil Made Me Do It" is not my theme, nor an empirically verifiable one, albeit interesting. I propose real, earthly HUMAN evil, hatred and manipulation made Eichmann and others "follow orders". My favorite column is always E. Edwin Austin of the Mutilation Data Center, who works to put reality back into the creepiness inherent in cow-slashing. I always work to elevate paranoia to a realistic fear.

Happily many of your readers agree, and wrote to me for more information. It is they who will have to decide whether what makes CONSPIRACY TRACKER a "fine publication" is historical analysis like this, or the vitrolic nonsense of a bimbo who apparently never liked a Jew he met, and wouldn't know a "sly serpent" if one came up and bit him! Since he puts words like Nazi and fascism in quotes, one apparently has.

Update On European Conspiracy Research

by William Robertson

(The following information was sent to us by one of our readers, who in turn received it from a researcher in Europe who has been involved with conspiracy research for several years. They have given us permission to reprint this information in CT --Editor.)

It was my observation while in the U.S.A. years ago that the investigations (of conspiracy researchers) were too much concerned with only the U.S.A. -- and not looking for the International Connections. They do exist as people are finding out. The Rockefeller-Wall Street faction was on the ascendancy after WWII, but lost out in the Seventies to the European Insiders operating from Basel (Switzerland). If you trace Masonic Incorporations you will find they all come under 2 corporations (one

for Lodges, one for members) -- both registered in Basel (ie. Basle). The major drug companies have their control lines from Basel. The banking lines are controlled from Basel -- actually from the BIS (Bank of International Settlements). From other data on the "European Parliament" -- (which aims to control 400 million people in their U.S. of Europe and have both East and West European nations as members. I have found that their Common Market uses the "Bank of Last Resort" -- the BIS. The "Market" and BIS now have it's fingers into 60% or more of the world's trade. These one-worlders plan to crash the dollar later this year -- and keep the ECU & Mark stable -- to show the U.S.A. it doesn't influence EU anymore. And of course to further and destabilize and introvert the U.S. population. Their aim at this stage is to make the following change in the "Status" of World Powers:

- #1 - U.S. of Europe
- #2 - Russia
- #3 - China/Japan (For East Bloc Trade)
- #4 - U.S.A

(Sorry - not even a "show" for the old U.S.A.. And the controlled U.S. politicians and insiders over there know this is going to happen and have agreed to it -- watch your controlled media for the hints and indications.)

The dollar will go down to about DM 1.20 - 1.50 ($\frac{1}{2}$ of what it is now). This was gleaned from a German "Insider" "Banker's Only" magazine.

Here are a few more points that I have data on that the U.S. researchers seem to be a bit confused about:

The center of the One World Money/Gold scenario is the Bank of International Settlements, Basel, Switzerland. (For more on this see "The New World Order" in CI #20 -- Editor.) It's land is ex-national, i.e. it belongs to no earthly power. The Swiss Constitution was amended in the 1930's to do this -- illegally without the Swiss voting on it! It is the "Bank of Last Resort" for the Common Market. It has in it's vaults 60% (conservative estimate) of the world's gold and if anyone is looking for where America's Ft. Knox gold went to - it's there - as COLLATERAL for the debts of the U.S.A. and the Fed (Federal Reserve).

Investigation of the shares (stock) of the BIS in Basel is rewarding. There are 600,000 shares: 200,000 belong to the 10-12 Major "powers" - nations - actually to

their Central Banks, so not really in control by the nation.

200,000 belong to the Directors & Execs of the BIS - who are the heads of the Central Banks as individuals & some others...top execs.

200,000 are issued on a private and individual basis and are kept in the vaults in trust. These are numbered. If someone finds out who these belong to they will have the names of the 200,000 Conspirators (Execs & Junior Execs)...who are currently in every aspect of business, banking, and government in the Western World, and some 3rd world countries too. The share holders in the "BIZ" are the conspiracy organization.

Direction of the Conspiracy: Of course, the hidden lines through Lodges, etc. trace back to these same people. They use cover directorates: Council of 13, Triumvirate of 3 are the top directorates.

COLLATERAL - The investigators on the banking-debt scenarios always fail to ask one very important question: "What is the COLLATERAL?" and if the answer doesn't pop out on that then, "What were the loan CONDITIONS?" Realizing that there are always the recorded (public access) conditions and the letter conditions, of which there are only 2 originals and no copies, one in the hand of the BIS or loaning bank and one in the hand of the "customer" (a head of state or central banker for a nation).

When you investigate COLLATERAL, Recorded & Letter Conditions on loans to 3rd & West World Nations you find out why the bankers DON'T WANT THE NATIONS TO PAY OFF THEIR DEBTS.

All becomes clear - usually the gold reserves of the nation were pledged as collateral and a letter condition proviso was that the collateral was to be secretly transported to the BIS for "safe-keeping". Or the national resources (minerals, gold, metals, oil, etc.) were pledged as collateral and in progressive default, those are auctioned off by the BIS to the Seven Sisters, the controlled industries of the Rockefeller and Rothschild consortiums.

But the letter (secret) conditions can also pledge FULL CONTROL OF THE NATION'S POLITICAL & CIVIL INSTITUTIONS (on an "advisory" basis of course to "help" get them "efficient" and "able" to pay back the loan. HA-HA.)

Thus the surprising development (to non-insiders) of government institutions pushing and promoting the "one world",

humanism", etc. THEY HAVE TO AVOID DE-FAULT! The very interesting article on the Potomac Watershed area (a copy of which was sent to Mr. Robertson by our subscriber --Editor) indicates to me that perhaps the entire land area of the U.S. has already been pledged as COLLATERAL on the U.S. Trillion(s) dollar debt! The more in debt the country gets the more COLLATERAL has to be pledged so - here comes the police state.

Also investigating what happens when a country or leader fails to "go along" with the debt scenario - i.e. not pay - is instructive - you will find either: 1. Removed if in a low capacity. 2. Assassinated if a head of state. 3. Revolution in the country if it's a governing group resisting the debt scenario.

The conspirators really don't care about people, they win both ways - they sell arms to the revolutionary group on credit so that when they win the debt COLLATERAL conditions will be followed. Notice how many "juntas" or "revolutionary" groups on taking power at once ask for a loan from the IMF! (IMF is a BIS front which uses BIS money for their "loans").

So you see -- IF THE DEBTS ARE PAID, THE CONSPIRATORS LOSE CONTROL OF THE GOVERNMENTS.

So, how did the BIS get the money in the first place to loan out? the money to start them out came from mainly America and England after the first World War - an agreement of "Reconstruction" loans which U.S.A. still contributes to yearly by the billions - So it's TAXPAYERS money that is used to enslave TAXPAYERS. The Insiders never use their own wealth, they use ours. (This was another Roosevelt betrayal of U.S. Interests.)

So, how did they get U.S.A. in debt to them if U.S.A. was supporting, CREDITING the BIS? BY making World Conditions that forced the U.S.A. to a NEGATIVE balance of Trade position (Using U.S.-BIS money to encourage imports and sales of foreign products while using unions to raise U.S. prices, etc.) And since that wasn't enough, producing the ARMS RACE and SOCIAL "IN"SECURITY PROGRAMS to force the BUDGET into a DEFICIT.

It took over 40 years but they bankrupted America and its now in the same position as any 3rd World Nation, England is also - the method there was added to - to have them give away the Common Wealth Countries which collapsed their economy - and then join the EC which controlled it.

THE FED scenario is the key step (phony money) but the U.S. could have broken out of that without ill effects up until the time they were in HEAVY INTERNATIONAL DEBT. Now, even if they did go back to lawful money, the World Bankers would cry "DEFAULT" and prohibit any type of influence, exchange, recognition, etc. to the U.S. from any other controlled nation. BIG LOSS OF FACE! And they have carefully promoted their ideals of STATUS, CONFORMITY, CONTROL MAINTENANCE, to all politicians, ergo CAPITULATION!

I noted with dismay, the way Pres. Reagan went under the control. He started off being the only President to actually reduce taxes -- and three years later was saying "Our priorities are our international monetary commitments first, then our defense budget, etc." That may not be the exact quote but the idea was "OUR FIRST OBLIGATION IS TO THE BIS" (i.e., the International Bankers). I realized he was finished as a patriot at that time. Now he's allowed to stay in power to show everybody that "even right wing Republicans are 'only human' and can't do anything about the world situation." Or as some researchers suggest, he may have been programmed to do just that - a flicker of hope, then none. (Although I have no doubt that on the evidence... he was victim of a very real assassination attempt in the beginning of his term - look how fast the Media were put under "Emergency Act" control for 4 hours, then -- it was all a "mistake" -- because he was still alive.

Finally I want to make the point that many secret society, business, and government conspirators at lower levels DO NOT ACTUALLY KNOW WHO OR FOR WHAT PURPOSE THINGS ARE HAPPENING. They are deliberately kept partially informed just like the "humanists." The reason so few betray the conspiracy at the top is because they have been promised 'eternal life' - i.e. to return next life in a wealthy, insider type family, so to maintain their position in the status-oriented hierarchy. Reincarnation is a prime belief of the secret societies and occult-New Age groups. This is a secret they cannot tell - many would lose their jobs and positions if it was known (from protest by the Established religious groups).

CONSPIRACY NOTES

(1) CANCER AND ELF. The Philadelphia Inquirer of May 30, 1985 reported: "Cancer may overtake heart disease as the leading cause of death in the United States by the end of the decade, according to a generally gloomy report by a panel of researchers at the American Association for the Advancement of Science convention here (Los Angeles --Editor). By the year 2000, they said, about 40 percent of Americans can expect to develop cancer sometime in their lives, and 25 percent of the victims will die from it." The United States Psycotronics Association Newsletter for Summer 1983 reported: "... Dr. Andrija Puharich spoke to a packed house on May 23 in Washington....Dr. Puharich outlined his personal history in cancer etiology from it's beginnings in the 1950's at Bellevue, to his current work with extremely low frequency (ELF) radiation; his use of ozone gas as a possible treatment methodology; and his research on creating cellular life in the laboratory. The audience was startled when he described the latest developments in ELF warfare between the U.S. and the Soviet Union and revealed that there is a specific ELF frequency which induces cancer." (EDITOR: And is there a specific ELF wave frequency which created AIDS???)

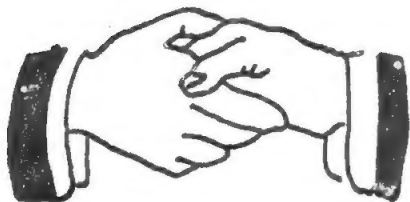

(2) NATURAL DISASTERS? (From the same Summer 1983 issue of the U.S. Psycotronics Association Newsletter.) There is much evidence to substantiate the idea that the design of sun spots has an affinity for a special location on the planet Earth. The Russians have followed this through to such a conclusion and have designed and built equipment to produce Sun Spots that will affect the weaker areas of this country such as the Tectonic Plates and Extinct Volcanos. They first sent up a space platform with the necessary equipment to control the actions of two probes sent up earlier to "investigate" conditions on Venus. The probes were equipped with atomic powered laser beam equipment that could "carve" designs on the sun. Their real equipment was in process of being built and our satellite photos show that they have completed the project. "Aviation Week & Space Technology", July 28, 1980 issue, carried an article entitled "Soviets

build Directed Energy Weapon". In the article our "high level" brass are described as being at odds over the matter. Other papers prepared at the Observatory at Boulder, Colorado show that work is progressing on a complete analysis that shows the relationships of Sun Spots and the timing of volcanic eruptions such as the Mt. St. Helens eruption.

(3) "RIPPER" AUTHOR DIES. We have a letter from one of our readers which states that Stephen Knight, author of "Jack the Ripper: The Final Solution", has died. The letter says: "First, I have received confirmation from two independent sources that Stephen Knight, author of "The Brotherhood", died about three months ago. One of my sources whose name I cannot divulge, sent me a confidential letter stating the following: 'It is indeed true that Stephen Knight died two or three months ago and was a young man. The alleged cause of death was brain tumours. It is of course possible that his death was not due to natural causes but, while I am the first to be suspicious that such might not be the case when a death of someone controversial occurs, I tend not to think so in this case. When such deaths occur "They" tend to make them sufficiently blatant to be a warning to other people who might see fit to be presumptuous; and this certainly was not so in his case, where the possibility of foul play was not even discussed. Also, while his book did contain quite a lot of useful information, I cannot see that he did Freemasonry any significant harm. He only scratched away at some of its symptoms rather than the heart of it, and never at any stage really put the boot in. One could see that he did not have a clear eye for truth from the fact that he was a member of the Sect run by Bhagwan Shree Rajneesh, who, you may have noticed, was arrested in Oregon a few days ago. Incidentally, he consulted me at one stage on various aspects of the book and acknowledges my assistance, along with that of countless others, in the preface.'
